## **auditor's notes**

### **for the attention of Mr Graham Swindells**

The report presents the monitoring figures for the month of February of the current year for Bishop Vesey's Grammar School ~ catering account.

We have reconciled to the contractor's trading invoices and phased budget for actual and budgeted performances. We feel the monitoring report reflects a true and fair view upon the catering services rendered for Bishop Vesey's Grammar School.

Following period eleven, the net cost of catering is £41.4k adverse to budget, due mainly to cash sales being £19.8k below budget, coupled with a gross profit being 3.33% under budget.

Whilst we are waiting for previous months clarification regarding costing of hospitality, the costs seem to be more standardised this month. We shall provide an update once the relevant information has been provided.

This document is made accessible for discussion within your forthcoming consultancy meeting with Mr Michael G Neales.
