### **for the attention of Mr Graham Swindells**

The report presents the monitoring figures for the month of August of the current year for Bishop Vesey's Grammar School ~ catering account.

We have reconciled to the contractor's trading invoices and phased budget for actual and budgeted performances. We feel the monitoring report reflects a true and fair view upon the catering services rendered for Bishop Vesey's Grammar School.

Following the end of period five, the net cost of catering is £33k adverse to budget, due mainly to cash sales being £61.4k below budget, with sundry expenses also £2.3k over budget.

Clarification regarding hospitality details for period four have not yet been received. We shall provide an update once the relevant information has been provided.

This document is made accessible for discussion within your forthcoming consultancy meeting with Mr Michael G Neales.
